

MUHAMMAD HAMZA GHAFAR

MERN STACK DEVELOPER

+92 3321866306 | hamzaghaffar029@gmail.com | <https://hamzaaportfolio.netlify.app/>

I am a skilled MERN Stack Developer with extensive experience in building dynamic, responsive, and scalable web applications. My expertise spans across React.js, Node.js, Express.js, and MongoDB, enabling me to create seamless, end-to-end solutions for a variety of projects. With a strong foundation in both front-end and back-end development, I excel in crafting intuitive user interfaces and robust server-side logic. My commitment to continuous learning and staying updated with the latest industry trends ensures that I deliver modern and efficient solutions. I am passionate about leveraging my skills to solve complex problems and contribute to innovative projects.
